

WHAT'S IN YOUR *Pad!*

Are you aware that many commercial brand pantyliners and sanitary pads are manufactured using recycled paper, rayon, or wood pulp, which may contain bleaching agents that could lead to adverse health effects in the most delicate area of a woman's body?

We have a solution...

TRY LOTUS!

WHAT'S IN YOUR *Pad!*

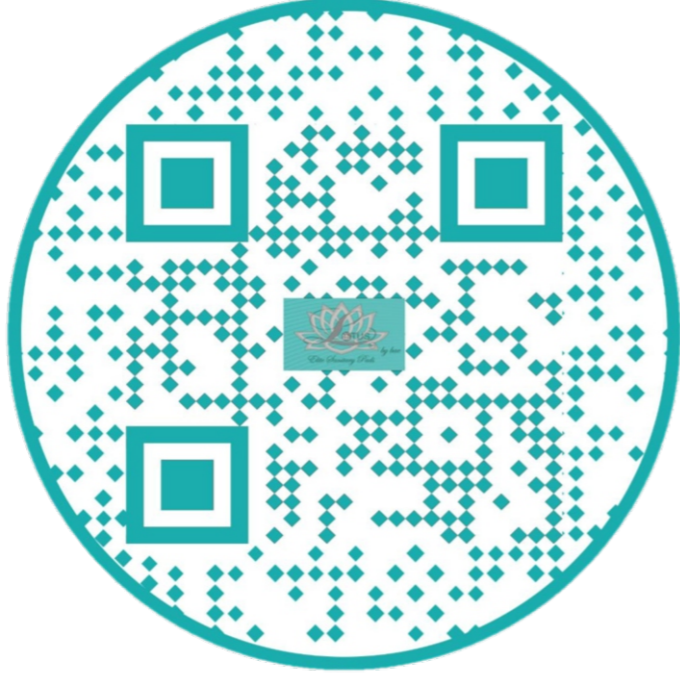

Did you know that most super market pads/sanitary napkins are made from recycled magazines, newspapers, wood chips, bleach and plastic potentially causing harmful ailments to the most sensitive area of a woman's body?

We have a solution...
